

FRIENDS' FOOTNOTES

May 2018

President's Notes:

Hello to all the Pine Library Friends! With our winter days behind us hope our spring brings you all warm sunny days! Thanks to all of you who have been attending our monthly meetings and all your support. A thanks goes out to our April guest speaker David Grasse. Fun to hear all about our wild west and what characters played a part. Also a big thank you to Becky for making the baskets for our raffle! They are beautiful!! And sure to make lots of money! Looking forward to the book sale Memorial Day weekend. Please try to come by and help setup on Thursday morning. If you haven't signed up to work a shift please do so soon. See you soon and make sure to make each day a happy one.

Sue Hedman, Vice President

Torrie Harding, Treasurer

Secretary's Report:

Vice President , Sue Hedman called the meeting to order and led those in attendance in the pledge to the flag. She then read two amusing and appropriate inspirational messages.

Debbie Tamiatti presented our speaker, third generation Arizonan, David Grasse. Mr. Grasse is not only a librarian at the Payson library but is a historian and author as well. David told the story of Red W, McNeil, a very pleasant man in his early twenties who came on the Arizona scene in the late 1880's. Red enjoyed writing notes in poetry and prose but was known mostly as a robber who often got away, one way or another. His escapades took him many places in Arizona over into New Mexico, and ending up in Utah.

The business meeting began after everyone enjoyed the delicious refreshments provided by Sue and Debbie.

Aggie Hansen moved that the secretary's minutes be accepted as written in the Library Friends Footnotes. It was seconded by Annetta Folmer and the motion passed. In a like manner, Sharon Balentine moved the treasurer's report also be accepted. It was seconded and the motion passed.

Sue thanked Becky Waer for preparing the two beautiful raffle baskets. Becky also has prepared colorful flyers to advertise the raffle and book sale. These are available on the back table for Friends to distribute. Signup sheets for the book sale are also on the back table. More coverage is needed for Sat. and for Sunday afternoon. Carol Trimble will assist Nancy Hubbs for this sale.

There is a better chance to get 8th grade students to help on Labor Day than for Memorial Day due to the school schedule.

A new member has been added to the membership list. Dues are due in June but may be paid earlier.

Sue was complimented on the sign for outside the meeting room door. She will make a more permanent one as well as one for the set up for the book sale.

Updates were provided on the well-being of Junetta Clifford and Barbara Grillo. Both are getting along well.

Our annual pot luck lunch will be held on June 25 at noon. More people are welcome to help with set up. No formal meeting will be held that day.

A question was asked about the status of the Friend's website. Sue will check into it.

Becky reports that this is Volunteer Appreciation Week. Volunteers are deeply appreciated! The new system, Atrium, is up and running. However work is still being done on various issues. It is requested that you update your information with the library. Becky is requesting help from the Library Friends for the cleaning of the carpet, upholstered chairs, a throw rug, and a braided rug in the library. Anetta moved that Library Friends provided \$1500 toward this. It was seconded by Debbie T. and the motion passed. Aggie then moved, Helen Palmer seconded, and the members passed the motion that the meeting be adjourned.

Respectfully submitted, Jean Larson, Acting Secretary

Members to keep in our thoughts and prayers:
