

FRIENDS' FOOTNOTES

SEPTEMBER, 2018

President's Notes:

Hello, to all members of Pine Library Friends. As our days seem to be getting shorter, and we hear elk off in the distant forest, we are reminded that fall is nearing. I must admit it is my favorite time of year, maybe because I do love pumpkin pie!!! Once again a big shout out to all our members for helping at the book sale, much gratitude and congratulations to everyone.

I am excited about our September 24th meeting, not only is it election time, but we have a very interesting speaker joining us, local author Dave Elston. Mr. Elston wrote about his life long passion of hiking the Grand Canyon, in a book entitled, "**A Year in the Grand Canyon.**" This book is certainly a must read, whether you have or have not hiked, or been to the canyon. Please join us as Dave shares his truly interesting story. Remember, to spread the word to friends and neighbors about our speaker! This book will be available to purchase at the meeting, or check out at our library. Once again, please attend our meeting this month, as elections are very important in keeping this board up and going. See you all soon.

Secretary's Report:

There are no August minutes to report due to the Labor Day Weekend book sale that ran from August 31 thru September 2nd. We would like to acknowledge all the dedicated work of Nancy and Bill Hubbs for setting up the tables and distributing the many boxes of books to be opened and put on the tables by some of our members. Sorting and boxing the hundreds of books donated to the library over the course of the year and stored in our shed, is also taken care of by Nancy. "Hats off" to Nancy and Bill for their great contribution in keeping our popular book sales thriving in support of the library.
