

# FRIENDS' FOOTNOTES

## President's Notes:

Hello, and happy fall to all our members and friends! It is certainly a beautiful time of year, and we wish you warm days and crisp fall evenings. We are looking forward to our next meeting, Monday, October 28<sup>th</sup>, 1:00pm, when another great speaker, Dr. Buckhout, will be providing us with lots of important information regarding end of life conversations and decisions. Dr. Buckhout is a certified Family Practitioner and Hospice Specialist. I hope we have a good turnout for this informative meeting. You may know of a friend or neighbor that would enjoy hearing about this topic, they are always welcome.

The business portion of our meeting is very important as well. I hope all members can be there to vote on our open positions of Treasurer and Secretary. Perhaps you would like to fill the two-year terms. Torrie Harding and Marion Inward have done such a great job, and their terms are up this month.

Take care, see you all soon. Remember to smile, it's contagious!!

## Secretary's Report:

Sue Hedman welcomed everyone and led in the Pledge of Allegiance, followed by a short reading on "life is short – live it!" Debbie Tamiattie introduced the guest speaker, Glen McCoombs, owner of Plant Fair in Star Valley. Glen is no stranger to the people in our area who have benefited from his knowledge of trees and plants. He distributed leaflets filled with helpful instructions on preparing the ground in the fall for a successful showing of flowers and bushes in the spring. At the closing of his presentation he planted a bowl of pansies and bulbs for a drawing, which was won by Linda Pessantino.

Following a short break for delicious refreshments prepared by Aggie Hansen, Sue Hedman and Jean Larson, Sue called the business meeting to begin with the reports of the Secretary and Treasurer.

Barbara Grillo moved we open nominations for elections of the positions of Treasurer and Secretary, second by Aggie Hansen, motion carried. Carol Trimble offered to serve as Treasurer. The names of Nancy Hubbs, and Betsy Porter were offered to fill Secretary position. The election of

these offices will take place at the October meeting, and begin with the month of November for the two-year terms.

The guest speaker at the October meeting will be Dr. Buckholt who will address the subject of palliative care and end of life decisions.

## Addendum to Friends Newsletter

Ann Pendleton asked Friends for their help to defray the expense of cutting and turning the desk in the Library used by Peggy Eagan, Children's Coordinator, to enable her to have a better view of the children and youth's areas. Ann has an estimate of \$250 to accomplish the job. The library is planning to add a teen area where the easy chairs are and would like to install more computers to cover the loss of the two computers where Peggy is now located. Barbara Grillo moved we allocate the sum of \$250 to cover the installation, second by Debbie Tamietti. Motion carried.

(Please note: a request was made of the board to increase the amount to \$300 to cover the cost of shelving behind the desk. Approval was given by the President, Secretary and Treasurer.

Aggie Hansen suggested the next time we have a raffle tree of coupons for the various vendors in our area, that we use two trees instead of one, as there were so many coupons on the last raffle. That way we would have two winners instead of one person receiving such an abundance. After some discussion, it was decided to table the matter until the October meeting.

My apologies for missing these two items in the Friends Newsletter previously sent out by email to all the members.
